

# Zeal Chinese Explorer

An Immersive Mandarin & Culture Journey  
for Singaporean Kids

Let your child live the language, not just learn it.

# Why Learn Chinese in China?

Most Singaporean children live in predominantly English-speaking environments, limiting their Mandarin exposure to classroom settings.

In China, they'll use Mandarin **daily** in authentic contexts—boosting fluency, cultural identity, and genuine interest in the language.

**Real-life context makes language learning meaningful and lasting.**

# What Makes Us Different

## PSLE-Aligned Curriculum

**Structured lessons that complement Singapore's academic requirements, ensuring your child gains valuable skills whilst having fun.**

## Project-Based Learning

**Interactive challenges that build confidence through real-world language application and cultural exploration.**

## Cultural Immersion

**Authentic experiences that foster genuine connection to Chinese heritage and traditions.**

## Safe, Experienced Team

**Bilingual instructors maintaining a 1:5 teacher-student ratio for personalised attention and care.**

# Our Destinations

**Dali**

**Stunning nature landscape and rich ethnic tradition of Yunnan Province.**

**Xiamen**

**Southern coastal culture and overseas Chinese heritage connections.**

**Beijing**

**Imperial history alongside modern innovation in China's capital.**

# Academic Focus

**Our curriculum is carefully tailored to complement MOE's Primary Chinese syllabus:**

## **Reading Comprehension**

**Interactive texts with cultural context to improve understanding and retention.**

## **Oral Communication**

**Daily practice in real-world settings with native speakers and peers.**

## **Creative Writing**

**Inspiring environments that prompt natural composition development.**

## **Vocabulary & Grammar**

**Practical sentence patterns learned through meaningful daily exchanges.**

**All lessons are led by experienced educators with PSLE preparation expertise.**

## What Parents Say

"After just two weeks, my son started using Mandarin with confidence, even at home. The immersion environment achieved what years of tuition couldn't."

— Mrs. Tan, mother of P4 student

"Her composition skills improved naturally. She now writes with authentic cultural references."  
— Mr. Lim, father of P5 student

"Now my child sees Chinese as alive and meaningful, not just another subject to pass."

— Ms. Wong, mother of P3 student

**We help children rediscover joy in language learning.**

# Safety & Support

## Round-the-Clock Supervision

**24/7 oversight with secure, accommodations in trusted facilities.**

## Health Protection

**Comprehensive medical coverage and emergency response protocols with access to international hospitals.**

## Parent Communication

**Daily updates with photos and videos via secure messaging platform.**

## Dietary Considerations

**All meals respect individual dietary preferences and restrictions.**

**Your child's wellbeing is our absolute top priority.**
